This meeting turned out to be a "Show and Tell and Discuss" session. The entire audience acted as evaluator. There were some excellent images presented. 27 members and guests enjoyed the evening.

March 22, Video Presentation, "Baraka"

The new digital projector did a great job of showing the Todd-AO movie "Baraka" from a Blu-Ray format. Approximately 45 members and guests enjoyed the presentation. Afterwards there was a nice discussion about how the film was made and in what countries. A good evening!

HELP!!

At the SBCC Board Meeting held on March 15, President Phil appointed a nominating committee to find a slate of four officer nominees to serve the club next year. All the current officers have served for two years and are term limited out of office. The nominating committee is made up of David Carriere, Bob Houston, and Lou Schutzenberger. Nobody may be nominated without their permission. The full slate from the nominating committee will be presented at the May 10 meeting. Additional nominees may be nominated from the floor (assuming they have given their permission). The final election of officers will be held at the June 14 meeting. Normally there are no additional nominees than those named by the committee, and the election is held by acclamation. If there are additional nominees, voting will be by ballot. The officers are: President, Vice President, Secretary, Treasurer.

In addition to officers, the club needs people to serve as chairmen for various permanent and temporary committees. The permanent committees named in the By-Laws are: Program, Membership, Publicity, Newsletter Editor, Outings, Prints, and Digital Images. Temporary committees are created by the President as needed. Currently these are Refreshments, S4C Representative, and PSA Representative. All committee chairmen are automatically members of the board.

Please consider helping out by volunteering for a position, either as officer or committee chairman. You will receive more than you give --- the experience is rewarding. If members fail to step up to helping with club activities, the future of the club could be limited. I know all of you want to help!
