FROM THE PRESIDENT

Good news for members who want to participate in more competitions: The S4C is starting a new Electronic Imaging division (EID). This simply means that digital image files are viewed on a computer screen and /or projected onto a large screen for viewing by a large audience. SBCC has had a competition like this for the past year. Even better news is that submissions of images will be possible over the internet --- no more having to trek to Rosemead for the regular S4C judging. The first of these competitions is scheduled for November 6. I will forward further information as it becomes available.

Bill

FROM THE JULY 26TH MEETING

President **Bill Berry** discussed plans for the new fiscal year. The major changes in the schedules will be more information programs, to be included in the even numbered months. Five competitions for slides and also prints and digital images will be held in the odd numbered months, starting in September. Workshops will be extended and more progressive.

Slide Chairman, **John Bohner**, presented a new format for slide submittal and grading. More details will be included in the next newsletter, in time for the September 13th contest. In order to gain more interest in slides, members may submit their slides for commentary, without the embarrassment of grades or identification. All may participate!

A grade-free submittal will be allowed for the print competition, although Chairman **David Carriere** has not announced his proposed procedural changes.

The digital image procedure will be announced in the next newsletter.

WORKSHOPS

Vice President **Joyce Fish** will sponsor a workshop on Photo Essays for a small group of members, starting on September 1st. Meetings will be held at the home of **Irma Louise Rudd**, an expert who we enjoyed at the Awards Banquet. Please call Joyce at 831-6044 for reservations and travel directions.

President **Bill Berry** is sponsoring a workshop on Digital Equipment at his home, starting on Wednesday, August 11, at 7:30 p.m. Call Bill at 378-9511 for information and travel directions.

The long anticipated workshop on photo editing will be sponsored by member **George Porter**. Members will have to install Photoshop Elements 2 to participate, and procure training materials for entry. Call George at 373-5416 for information. The time and meeting place has not been determined.

PROGRAMS

Program Chairman **Frank Goroszko** announced his plans for the coming year on July 26. Programs will be held on the even numbered months. They will include demonstrations, guest speakers, and a return to his famous **scavenger hunt**.

On August 9, we will show the S4C International Travel and Photo Journalism Slides, presented by S4C officers.

On August 23rd, we will have a guest speaker from the Mentor Program at Freestyle Photo Sales, who will talk on "Composition and Impact"..

Treasurer **Gerhard Harnack** has requested that all members fill in the attached data sheet and also sign the liability waiver.. Send them, and your dues to him at 444 Via Almar, Palos Verdes Estates, CA 90274
