As we close down this calendar year and head into the holiday season, I think back on the South Bay Camera Club over the past year. I am struck by the changes that have occurred, even while much remains as it was. The change comes largely from member impetus, expressed through comments to the club officers and through participation in events. I feel that the major direction is leading toward additional ways to enjoy and use our photographs. This is being accomplished through modification of the rules of competition, new contests and challenges, field trips and the introduction of new workshops. This process of change in response to member preference will surely continue throughout the coming year.

In the meantime, have a wonderful holiday season. See you at the banquet.

News

SBCC welcomes new members John Abell, of Westchester, Agust Agustsson, of Redondo Beach, Carmen Curry, of El Segundo, Liz Bernstein, of RPV, and Ronald Radovich, of Lomita. We are pleased that three of the above have already entered image competitions. We still have a lot of members who won't find their names in the enclosed score lists. Come on, we don't all expect "9"s.

Our hard working Program Chairman, Frank Goroszko, came up with a good idea, which is outlined on page 3. We have programs on the even numbered months, just to keep Frank busy. Don't forget to save your macro-images that begin with B, C, D, F, H, I, J, K, O, R, U, and Y for the Scavenger Hunt in April.

Betsy Treynor is keeping us active with another field trip on December 15th. See page 2 for details.

Bob

Wishing you all Happy Holidays, and a great New Year

Field trip to Sleepy Hollow, December 15, 2004

The "Sleepy Hollow" neighborhood of Torrance is always dazzling at Christmastime as nearly every house and tree! is festooned with white lights. In addition, roof, window and lawn decorations, some Traditional and some not, are ubiquitous.

Enter the neighborhood from Prospect, downhill from St. Lawrence Martyr Church, at Avenue H (the lower blinking red lights), and park along the curb or the school (Tulita Elementary) close to the neighborhood end. We will meet where the school property ends at 5:00 pm.

We can go to dinner/supper/dessert afterwards. I expect to have some Suggestions at that time.

“A Camera Club Looking Toward the Future”

Talking About Photos – Discussion Group

This discussion group will have its first meeting on Monday night, Jan. 31, 2005, at 7:30 P.M. at the Catalina Coffee Company, 126 N. Catalina Ave., Redondo Beach. The object is to look at photos, both your own and those of others, and to try to explain whether they have impact or not and what can be done to improve them (if possible). Each participant must bring at least 1 or 2 of their own works (no smaller than 8 x 10 inches) and at least 1 photo from a printed medium (magazine, book, etc.) or even Internet images of another photographer's work (minimum 8 x 10 also). The discussion format will involve everybody.

The discussion group leader will be Frank Goroszko (310) 376-3755, fgorsz@yahoo.com.
