Upcoming Events through October:

October 14, Print Evaluation, Darilyn Rowan

Helping us out this month in Digital Image Evaluation will be Darilyn Rowan, Chairman of the Department of Photography at El Camino College. Darilyn has been our evaluator for both prints and digital images several times in the past. She is a popular and respected evaluator. The new rules governing print submission and evaluation are reprinted at the conclusion of this newsletter.

October 21, Board Meeting

The Board will meet at 7 PM at Harry's house in Redondo Beach, 2300 Ruhland Avenue #B. Come on over and learn about the operations of your club. Maybe you will become interested in some aspect of club operations and agree to help out. See you there.

October 28, Larry Cowles, FPSA GMP SA, on "Tips on Posing Models"

One of the most awkward moments photographing models is when two strangers come together as model and photographer and neither one knows what to do next. This program is designed to give tips and examples of what to do next; how to communicate with the model; ideas for posing the model and where to find posing ideas.

Larry has been photographing for over 30 years and is a Grand Master in PSA (Photographic Society of America). He is an avid exhibitor with work being shown in over 50 countries. Larry is a past chairman of the PSA Color Pictorial Division and past president of the San Joaquin Valley Camera Club Council. Larry was recently awarded the Peabody Award for General Photography in recognition of his outstanding photographic proficiency. He specializes in portraits and has a studio in his home.

October Day Trip to Union Station, Olvera Street

This trip is in the planning stage. The date will be publicized as soon as arrangements are final.

Scavenger Hunt Rules to be distributed at October 14 Meeting:

Scavenger Hunt chairman Robin Young announced at the September Board Meeting that Rules and Themes for the 2013-2014 Scavenger Hunt would be distributed to members at the October 14 Meeting. Entries will be due for submission by the April 28 Meeting. Presentation of the results will be the main subject for the May 12 Meeting.

Highpoints of the past month:

September 9, Digital Image Evaluation:

Three cheers for Travis Silva and the very interesting evaluation of digital images he conducted for us in September. The comments were interesting and instructive. Thank you Travis.

September 23, Program --- Mounting Prints and Using the Web Site:

Chuck Greenwood gave a short but interesting demonstration of proper mounting and matting methods for prints submitted for print evaluation nights. This was followed by a live demonstration of using the SBCC web site. This was given by Phil Cohen, our SBCC Web Site Guru. For the first time in Club history Phil was able to give this demonstration while actually connected to the site through Wi-Fi. The result was a marvelously fluid and interesting presentation. Many thanks to both Chuck and Phil.

September 26, Outing to the Getty Villa:

About 25 of us spent a delightful morning and early afternoon exploring the rebuilt and recoredated Getty Villa Museum in Pacific Palisades. The lunch was delicious. We also ran into a new rule banning photography of children without the permission of their parents or guardians. This restriction seems to be spreading throughout California. More on this later. Thanks Harry for arranging this delightful outing.

Help Is Still Wanted!!!

Several positions on the Board have gone unfilled during the past year. A few are becoming unfilled at the end of the current year. The club needs volunteers to help with the planning and administration of our many activities. In the future this newsletter will carry information on what these positions are and what the responsibilities are. I hope all of you will consider getting involved in running our club in a way appropriate for your talents. Currently we need chair persons for Equipment, and Digital Images, to name a few. Consider coming to the next Board Meeting (Harry Korn's house, October 21, 7 PM) to learn more.
