## **Remembering Richard Gross**

It is with sadness that we announce the passing of one of our club's members - Richard Gross. He passed away on August 21, 2017 (the day of the eclipse) after a short battle with a rare form of cancer. Richard was an active member that contributed a lot to the South Bay Camera Club organization overall these past two years. He helped the Website Committee with a layout of suggested changes for our website as well as help get the mentoring program going. He also worked with me (Linda) on the recognition of our Board and Committee volunteers and was the one to suggest that we have a formal year end program. Unfortunately, due to his illness progressing, he missed the year-end banquet. Per his wife, Niva - a memorial will be planned when they can get all the Gross's family together. She will keep us posted. She shared that Richard was blessed and grateful to have you all in his life. You made his life richer.

We circulated a card at the August 28th meeting for those to sign and it was sent out the next day to Niva and their family.

## Message from our President

Happy Labor Day!

Hope you all had a great summer and are looking forward to the fall season.

My Photo challenge to all of you for this year - is to focus on an area of photography that you want to grow in. Maybe it's doing more black and white, or learning how to use Adobe Lightroom for your own in house printing. Set a goal for yourself of what you would like to improve on and go for it. I look forward to seeing your images - and hearing how you are improving.

Best wishes

C'ya at the next meeting.
