February Digital Review

Art Ramirez will be doing our Feb 10 digital critique. You can find out about Art and his history at his website - <http://www.thephototrainer.com/index.html>

Art has been a judge of photography entries at the OC fair.

February Presentation

Ken Pagliaro, a professional photographer who specializes in commercial and sports photography, will come tell about how to take great action shots. You can see examples of his work on his website - <http://kenpagliaro.com>

Coffee Klatch

The SBCC Coffee Klatch gets together every second Wednesday of the month at Klatch Coffee, 306 S. Pacific Coast Hwy (at Torrance Blvd, sort of behind CVS and the seemingly endless road construction), Redondo Beach, CA 90277, from 9 a.m. to about noon, even when the club is dark. We have coffee, pastries, breakfast, etc. All are welcome. Any topics of discussion are welcome. Why, sometimes we even talk about photography.

Coffee Klatch 2

Interest has been expressed about having a second Coffee Klatch each month. The first thought is to have it on the fourth Wednesday of each month at the same place (Klatch Coffee). However, this can be modified if there is a time that works better for an enthusiastic group of members. Contact Emily Riddell <photographer37@att.net> if you are interested/have a suggestion for time/place.

Study Group

Don Sandersfeld is starting a study group for beginning/intermediate photographers. It would meet once a month, probably the first Monday of each month at 7pm. Please let Don know at Sanderdl@att.net if you are interested. The time can be changed if there is a time that works better for an enthusiastic group of members. The meetings will start in March

Tell us what's up

Is your photography exhibited at a show or other venue? Is there a contest going on that you think other club members would like to know about? Please let Don know at sanderdl@att.net to share this information with others.

Opportunities for Club Participation

Raffle Co-ordinator – The club is looking for a co-ordinator for the raffle at the banquets. Bev and Steve have told the board that they cannot do the preps for the raffles any longer (in 2018). If a new co-ordinator is not found the raffle will be dropped from the agenda at the next banquet. We would like to express our thanks to Bev and Steve for their support to past raffles.

Cub Historian – The club is looking for someone to collect and store club memorabilia and artifacts

Overnight Trip Organizer – In the past the club has taken group trips to areas such as Lone Pine, Borrego Springs, and the Bristle Cone Pines for multiple day trips. The organizer would select dates, coordinate with participants, recommend places to stay, photo locations and times, and dining locations. See a board member if you are interested.
