PSA Southern California Roundup Chapter gives award to our Jerry Fleury

Jerry Fleury, BPSA, of Torrance, CA, has earned the PSA Portfolio Distinction (Bronze-BPSA) based on a ten-image Portfolio he created and titled "Abandoned." He submitted the ten images, an Overview Image, and the Portfolio "Statement of Intent" online for one of the Portfolio Assessments held during the year. Jerry can now submit a different Portfolio of fifteen images for the Silver-SPSA Portfolio Distinction. For information regarding the PSA Portfolio Program: <https://psa-photo.org/index.php?portfolios>

Club Events Gallery

The club events Gallery is available for posting photos of club events. This means club photo walks, banquets, club trips, and other club sponsored events.

Voting for Critique Photos

The club board would like to request that everyone go to the club website and "vote" for the photos that have been submitted for our critiques (it's more "rate" the photos than "vote"). Your "votes" will determine who will be presented the highly coveted awards presented at the banquet in June.

Member Gallery: The member Gallery in the club webpage is open for you to

post any photos that you would like to show off. Unfortunately there is no way for members to comment on your photos in this gallery.

Tell us what's up

Is your photography exhibited at a show or other venue? Is there a contest going on that you think other club members would like to know about? Please let Don know at sanderdl@att.net to share this information with others.
