### Facebook:

Please post photos to our Facebook page (<https://www.facebook.com/groups/120819534606157/>) and take the time to critique the photos that others have posted.

### Club Events Gallery

The club events Gallery is available for posting photos of club events. This means club photo walks, banquets, club trips, and other club sponsored events.

### Voting for Critique Photos

The club board would like to request that everyone go to the club website and “vote” for the photos that have been submitted for our critiques (it’s more “rate” the photos than “vote”). Your “votes” will determine who will be presented the highly coveted awards presented at the banquet in June.

**Member Gallery:** The member Gallery in the club webpage is open for you to post any photos that you would like to show off. Unfortunately there is no way for members to comment on your photos in this gallery.

## Tell us what's up

Is your photography exhibited at a show or other venue? Is there a contest going on that you think other club members would like to know about? Please let Don know at [sanderdl@att.net](mailto:sanderdl@att.net) to share this information with others.
