[September Digital Review](#)

Monday, September 14, 2020 at 7P.M. A reminder and invitation to the Zoom meeting will be sent out to all members.

This meeting will be a Digital evaluation meeting by Art Ramirez.
www.thephototrainer.com/

Art Ramirez has more than 32 years photographic experience in the fast-paced environments of newspaper publishing, wedding photography, pro labs, production labs, one-hour photo labs and retail photo stores. After majoring in photography in college, he began his career as a news photographer.

Our meeting will be on Zoom

We hope to see you at the Zoom meeting. Stay safe and healthy.

[Vote for your favorite photos](#)

Vote early, it is easier than evaluating hundreds of photos at the last minute.

[A note regarding our Critiques](#)

Until we can meet safely again, all reviews will be digital. However, the club is set up for both digital and print reviews (Awards and website). So we will alternate between digital and print reviews (even if there is no print). On months that normally have a print review, submit your digital file in the normal way for a print review. The digital file will be critiqued. And if the website will not allow you to submit as a print, try to submit as a digital file. September is a digital review. (I plan to spend the money I save by not printing on snacks for the break.)

[Scavenger Hunt Results](#)

The stakes were high. The competition was tough. Palms were sweaty, but a conclusion was reached and the champions were awarded their winnings (well, it's just bragging rights). And here are the winners of the Scavenger Hunt:

1st place is a tie with 40 points each – Peggy Nugent and Robin Young

2nd place with 38 points goes to – Dick Merrick

3rd place with 36 points goes to – Harry Korn

Thanks to our judge - Gerry Imura

Special Thanks to all who participated.

[SBCC Member Included in Art Show](#)

Beverly Gates is participating in the PVAC “**Focus on The Summer**” **Show** featuring artwork from [PVAC Artists Groups](#)

To help viewers understand their artwork better, participants in [The Summer Show](#) (click on the link to see the show) have generously shared thoughts on their process or made comments on who they are or what they strive for in the studio. To purchase an artwork, email info@pvartcenter.org for details. Twenty-five percent of proceeds benefit Palos Verdes Art Center.

Model Workshop Postponed

Mark Lidikay has postponed the model workshop until we can safely get together. The new date is to be determined.

Zoom Meeting

The club will meet on Monday Sept 14th through Zoom. An invitation will be emailed to all club members along with instructions on how to join the meeting.

You are responsible for bringing your own food, no snacks will be provided!! And no eating the munchies before the break.

All future meetings will be electronic until the lockdown ends. Tremendous thanks to Don Stouder for setting up the meeting.
