The “Support SBCC” button on the SBCC website is active

As noted in last month’s News and Views, the club is running on a tight budget this year. After running a slight margin over expenses for several years, the club has been running at a deficit. After considering several options, the board decided to ask the club members to contribute to the club by donating through the website. A donation function has been added to the website. The “Support SBCC” link can be found as a pull down menu at the top of the website pages and on the home page. If someone wants to give and remain anonymous, that function has been added to the “support the SBCC” page. Simply select the “Make this an anonymous donation” box.

The SBCC Board would like to thank the following members for their support:

Mike Calabrese, Jerry Fleury, Dick Merrick, Robin Young, Allen Muro, Beverly Gates, Don Stouder, Bob Schlatter, Robin Davis, Harry Korn, Margaret Pinto, Besim Bilman, Larry Heyert, and Emily and Don Sandersfeld.

A note regarding our Critiques (Note: it has changed)

Until we can meet safely again, all reviews will be digital. However, the club is set up for both digital and print reviews (Awards and website). So we will alternate between digital and print reviews (even if there is no print). On months that normally have a print review, submit your digital file in the normal way for a print review. The digital file will be critiqued.

Just a reminder that the “digital image” upload window is OPEN for the uploading of your images to be evaluated on April 12, 2021. If you should experience any issues with the upload process, please contact Mike Calabrese immediately at (310) 947-2896.

Scavenger Hunt Submissions Due April 26

All entries must be submitted to Robin Young by the April 26, 2021 meeting. Submit on a CD, Thumb Drive, or email to robinyoung7@hotmail.com (subject: Scavenger Hunt). See the SBCC website (SBCCphoto.org) home page for the complete rules.

Reminder - Photo Name Limits

When submitting photos to the website you cannot use special characters in the name. These are mostly punctuation marks (*&^%\$#@”). Let’s just use letters and spaces.
