## [The “Support SBCC” button on the SBCC website is active](#)

As noted in last months News and Views, the club is running on a tight budget this year. After running a slight margin over expenses for several years, the club has been running at a deficit. After considering several options, the board decided to ask the club members to contribute to the club by donating through the website. A donation function has been added to the website. The “Support SBCC” link can be found as a pull down menu at the top of the website pages and on the home page. We have already received a few donations from some of our generous members and thank them for their support.

## [A note regarding our Critiques \(Note it has changed\)](#)

Until we can meet safely again, all reviews will be digital. However, the club is set up for both digital and print reviews (Awards and website). So we will alternate between digital and print reviews (even if there is no print). On months that normally have a print review, submit your digital file in the normal way for a print review. The digital file will be critiqued.

Just a reminder that the “digital image” upload window is OPEN for the uploading of your images to be evaluated on April 12, 2021. If you should experience any issues with the upload process, please contact Mike Calabrese immediately at (310) 947-2896.

## [Scavenger Hunt Rules Change](#)

Due to the covid pandemic, most of us are not travelling or going to places that might include crowds. So the Scavenger Hunt rules have been changed to allow the use of any photo that you have taken (originally you were limited to photos taken between May 2020 and April 2021). You can see all the rules on the home page of the SBCC website.

## [Reminder - Photo Name Limits](#)

When submitting photos to the website you cannot use special characters in the name. These are mostly punctuation marks (\*&^%\$#@”). Let’s just use letters and spaces.

## [Facebook:](#)

Please post photos to our Facebook page (<https://www.facebook.com/groups/120819534606157/>) and take the time to critique the photos that others have posted.

## [Club Events Gallery](#)

The club events Gallery is available for posting photos of club events. This means club photo walks, banquets, club trips, and other club sponsored events.

## [Member Gallery:](#)

The member Gallery in the club webpage is open for you to post any photos that you would like to show off. Unfortunately there is no way for members to comment on your photos in this gallery.
