### [Photo voting will close May 31st](#)

Voting for Digital and Print photos will close on May 31<sup>st</sup>. Get your votes (ratings) in now, we need every vote we can get.

### [May Scavenger Hunt Monday, May 10, 2021 at 7P.M.](#)

The next meeting will be the judging of the Scavenger Hunt submissions. The photos have been submitted. Show up and see how the categories have been interpreted. The link to the meeting will be sent later.

### [Show Your Stuff June 14th](#)

The June 14<sup>th</sup> meeting will be a virtual version of the clubs "Show Your Stuff" meeting. For those not familiar with our Show your Stuff meeting, the club sets out tables and no chairs for this meeting. The members put photos on the tables (and computers) to show what they have done over the last year. Members can then look at the art works and discuss them with the artist and other club members. This year we will try to have a "Virtual Show Your Stuff". We will rotate through the members, each member discussing one photo with the SBCC members. Please submit one photo to Bev Gates ([bgatesped@aol.com](mailto:bgatesped@aol.com)) to be shown at this meeting.

## [Virtual Banquet on June 28th](#)

The SBCC banquet will be virtual again. We will share submitted slideshows and Getty Challenge photos submitted by club members again.

Slideshows should be less than 5 minutes long, have a theme, and should have background music. Please send your slideshows to Don Sandersfeld at [sanderdl@att.net](mailto:sanderdl@att.net) or provide the slideshow on a thumb drive.

To participate in the Getty Challenge, recreate a famous artwork with items that you have at home or use your photo editing skills to make your own version. Submit a copy of the original artwork and your version by email to Don Sandersfeld at [sanderdl@att.net](mailto:sanderdl@att.net).

Examples of others work can be found at <https://www.pinterest.com/ebean85/getty-challenge/>.

A sense of Humor is greatly appreciated in the Getty Challenge

## [The “Support SBCC” button on the SBCC website is active](#)

As noted in last month’s News and Views, the club is running on a tight budget this year. After running a slight margin over expenses for several years, the club has been running at a deficit. After considering several options, the board decided to ask the club members to contribute to the club by donating through the website. A donation function has been added to the website. The “Support SBCC” link can be found as a pull down menu at the top of the website pages and on the home page. If someone wants to give and remain anonymous, that function has been added to the “support the SBCC” page. Simply select the “Make this an anonymous donation” box.

The SBCC Board would like to thank the following members who have donated in April:

Ann Sadler, Michele Uruburu, and Stephen Snider

## [A note regarding our Critiques](#)

Until we can meet safely again, all reviews will be digital. However, the club is set up for both digital and print reviews (Awards and website). So we will alternate between digital and print reviews (even if there is no print). On months that normally have a print review, submit your digital file in the normal way for a print review. The digital file will be critiqued. (No more critiques until the August meeting.)

## [Reminder - Photo Name Limits](#)

When submitting photos to the website you cannot use special characters in the name. These are mostly punctuation marks (\*&^%\$#@”). Let’s just use letters and spaces.

## Facebook:

Please post photos to our Facebook page (<https://www.facebook.com/groups/120819534606157/>) and take the time to critique the photos that others have posted.
