Voting for Digital and Print photos will close on May 31st. Get your votes (ratings) in now, we need every vote we can get.

[Show Your Stuff June 14th](#)

The June 14th meeting will be a virtual version of the club's "Show Your Stuff" meeting. This year we will try to have a "Virtual Show Your Stuff". We will rotate through the members, each member discussing one photo with the SBCC members. Tell us what you have been doing, why you took that photo, and what it means to you. Please submit one photo to Bev Gates (bgatespeds@aol.com) to discuss at this meeting.

The format for the photo submissions is – PhotographersName PhotoTitle.jpg. (i.e. Leonardo MonaLisa.jpg). Photos should be 1400 pixels on the largest side. Photos are due by June 7th.

[Scavenger Hunt Results](#)

The Great Scavenger Hunt of 2021 has been completed. We thank Mark Comon for judging the submittals, and congratulations to Peggy Nugent who won despite the best efforts of Robin Young (second place), Dick Merrick (third place), and the eight other competitors. You can see the photos at <https://youtu.be/LEuJEsRLL5c> or the pdf file that is attached to this email. The categories for next year's contest will be announced next fall. Photographers with precognition may start taking their photos on June 1st.

Virtual Banquet on June 28th

The SBCC banquet will be virtual again. We will share submitted slideshows and Getty Challenge photos submitted by club members again.

Slideshows should be less than 5 minutes long, have a theme, and should have background music. Please send your slideshows to Don Sandersfeld at sanderdl@att.net or provide the slideshow on a thumb drive or use the Dropbox app to transfer the file.

To participate in the Getty Challenge, recreate a famous artwork with items that you have at home or use your photo editing skills to make your own version. Submit a copy of the original artwork and your version by email to Don Sandersfeld at sanderdl@att.net. Slideshows and photos are due by June 21st.

The “Support SBCC” button on the SBCC website is active

Funds from membership dues are a slightly less than the SBCC expenses. Rather than raise dues, the board has asked members who value the club’s activities, to donate to the club’s finances. The board would like to thank those members who have donated to the club this year. The SBCC will be announcing members who have donated to the club in the newsletter, unless the donor asks for the donation to be anonymous.

A donation function is available on the website. The “Support SBCC” link can be found as a pull down menu at the top of the website pages and on the home page. If someone wants to give and remain anonymous, that function has been added to the “support the SBCC” page. Simply select the “Make this an anonymous donation” box.

The SBCC Board would like to thank the following member(s) who have donated in May:
Emily Riddell

A note regarding our Critiques

Until we can meet safely again, all reviews will be digital. However, the club is set up for both digital and print reviews (Awards and website). So we will alternate between digital and print reviews (even if there is no print). On months that normally have a print review, submit your digital file in the normal way for a print review. The digital file will be critiqued. (No more critiques until the August meeting.)

Reminder - Photo Name Limits

When submitting photos to the website you cannot use special characters in the name. These are mostly punctuation marks (*&^%\$#@"). Let's just use letters and spaces.

Facebook:

Please post photos to our Facebook page (<https://www.facebook.com/groups/120819534606157/>) and take the time to critique the photos that others have posted.
