[Virtual October 25 SBCC meeting](#)

The next SBCC meeting is October 25th. This meeting will be a virtual meeting on Zoom. The link to the meeting is at the bottom of this newsletter in **RED** (or maybe Blue)

[SBCC Virtual Meetings to Continue through December](#)

The Torrance Airport opened the room for group meetings in July, with added requirements for liability waivers for every attendee. The county of Los Angeles requires masks for all indoor meetings. With our club size we would not be able to socially distance in the meeting room. Delta variant Covid infections are surging. So, the SBCC board has voted to continue meeting over Zoom through the month of December. The November meetings will be virtual over Zoom. The status will be reviewed by the board every month until we are convinced that we can safely meet in person.

[Thanks for the Donations](#)

The SBCC Board would like to thank the following members who have donated in September:
Allen Muro, Eduardo Kneler, and Michele Uruburu

May your bokeh always be soft and smooth.

Are you up for a trip to San Francisco? **Linda Detwiler-Burner** has a photo on exhibition at the Presidio in San Francisco in the “My Park Moment Photo Show.” The free My Park Moment photo show features people from all backgrounds across the country loving their favorite parks. More than 400 images are on view outdoors at four locations you can walk, bike, or drive between. The featured shots – from everyday parkgoers, kids, and even professional photographers – capture the beauty of the great outdoors and the joy that time in nature can bring. More information available at https://mailchi.mp/presidiotrust/my-park-moment-photo-show-opens-today-september-1?e=a8de504c7a&fbclid=IwAR0s3euApeo6VhOyIJP7KYWxD2wfsJqJ5idEQxlbDiTrCi-ZXm_R_60Dq-A

[A Note regarding our Critiques](#)

Until we can meet safely again, all reviews will be digital. However, the club is set up for both digital and print reviews (Awards and website). So we will alternate between digital and print reviews (even if there is no print). On months that normally have a print review, submit your digital file in the normal way for a print review. The digital file will be critiqued.

[About our October 25th Presenter](#)

Mark Comon will be our presenter for October. Mark is the manager of Paul’s Photo on Hawthorne Blvd in Torrance and also in charge of The Creative Photo Academy. He is also very recognizable from his appearances during Dodger baseball games. The topic is rumored to be “What’s in Mark’s Bag and Why?”.

[Dick Merrick and Michelle Uruburu lead a Photoshoot at Averill Park in San Pedro](#)

Thursday Oct. 21 at 10:00 AM. The photoshoot will start at the northwest corner of the park. The walk will proceed along the stream to the pond. Suggest parking on W. Averill Park Drive near the corner of S. Dodson Ave. A wood duck is reported to be living in the pond.

The walk was held, the shooting was good, and Woody made a brief appearance before taking his noontime siesta.

[Please Establish Your Member Gallery on the website](#)

The member gallery is a collection of photos submitted by our members for viewing by members and visitors to our website. Your submittals to the digital and print reviews will automatically be added to your gallery every month, once you have established your gallery.

To establish your gallery:

Go to “Upload Photos / Upload to Member Gallery”

Upload 1 photo to the gallery

The website will then add every new photo that you submit for critique to your member gallery. It will also add photos that have been submitted in the last few years.

[How to use the SBCC Website](#)

Mike Calabrese made a presentation on how to use the SBCC Website for rating photos, finding what the club is doing, and joining the club. It can be seen at <https://youtu.be/DHxpZHKgRpU>. Or go to the website under “Resources”, then “Links of Interest”.

Participants for the Board Meetings Wanted

The SBCC is looking for members who are interested in getting a closer participation in club activities and helping lead the club back into in person activities. Please attend the Zoom board meeting on October 18th at 7:00 pm. The link will be sent out before the meeting.

The December Banquet to be Virtual again

Due to our reluctance to put club members at risk, and because we have not found a new location for our banquet, the December banquet will be a virtual (Zoom) meeting again. I am therefore requesting slideshows and Getty Challenge photos again. Contact me at Sanderdl@att.net for information about submissions.

The 14th Annual Scavenger Hunt has arrived!

Find all the subjects and make a pleasing/creative picture of each. The winner receives recognition in the SBCC Newsletter and a small brass plate to adhere to a *South Bay Camera Club* wooden trophy. Rules and instructions are on the club website at [SBCC home page](#) and last year's submittals can be seen in the "Resources" / "Links of Interest" page.
