SERVING THE SOUTH BAY SINCE 1944

[SBCC Virtual Meetings to Continue through December](#)

The Torrance Airport opened the room for group meetings in July, with added requirements for liability waivers for every attendee. The county of Los Angeles requires masks for all indoor meetings. With our club size we would not be able to socially distance in the meeting room. Delta variant Covid infections are surging. So, the SBCC board has voted to continue meeting over Zoom through the month of December. The November meetings will be virtual over Zoom. The status will be reviewed by the board every month until we are convinced that we can safely meet in person.

[Thanks for the Donations](#)

The SBCC Board would like to thank the following members who have donated this year:

Jerry Fleury, Mike Calabrese, Besim Bilman, Dick Merrick, Margaret Pinto, Gary Stuart, Harry Korn, Bob Schlatter, Livia Trauber, Allen Muro, Michele Uruburu, Besim Bilman, Beverly Gates.

May your filters always polarize circularly.

[SBCC Member Does Good](#)

SBCC Secretary Jerry Fleury has won third place in the "2021 Westways Photo Contest." His photo "Desert Lightning" was taken on his way to the Saguaro National Park in Tucson, Arizona. Congratulations Jerry, that is an impressive image. You can look at it and the other winning images on line at <https://www.ace.aaa.com/publications/photo-contests/2021-westways-photo-contest.html>.

A Note regarding our Critiques

Until we can meet safely again, all reviews will be digital. However, the club is set up for both digital and print reviews (Awards and website). So we will alternate between digital and print reviews (even if there is no print). On months that normally have a print review, submit your digital file in the normal way for a print review. The digital file will be critiqued.

About our November 8th critiquer

Joanne Stolte will critique our images on November 8th. Since 1998, Joanne has been deeply involved in regional photo clubs, currently serving as president of S4C, the coalition of southern California camera clubs. She lives in Glendora, where she formerly served as Vice President of the Glendora Color Slide Group; and is a member of the Pomona Valley Camera Club. She is General Chair of the S4C International Exhibition. Joanne is very active in the Photographic Society of America (PSA) where she has earned many awards and much recognition. Joanne is Chair of the PSA Photojournalism Division (PJD), the PJD representative on the PSA Uniform Practices Committee, Chair of the PSA Membership Retention Committee, Director of the Introductory Color Slide Competition for Individuals, and PSA Journal News Editor for the Color Slide Division.

When Joanne was in elementary school, her father gave her a box camera and by Junior High she was using a bellows camera. She cannot remember a time when she did not take photos and she has always listed photography as her first interest on her resume.

Please Establish Your Member Gallery on the website

The member gallery is a collection of photos submitted by our members for viewing by members and visitors to our website. Your submittals to the digital and print reviews will automatically be added to your gallery every month, once you have established your gallery.

To establish your gallery:

Go to "Upload Photos / Upload to Member Gallery"

Upload 1 photo to the gallery

The website will then add every new photo that you submit for critique to your member gallery. It will also add photos that have been submitted in the last few years.

How to use the SBCC Website

Mike Calabrese made a presentation on how to use the SBCC Website for rating photos, finding what the club is doing, and joining the club. It can be seen at <https://youtu.be/DHxpZHKgRpU>. Or go to the website under "Resources", then "Links of Interest".

Interested SBCC Members invited to the Board Meeting

The SBCC members who are interested in getting a closer participation in club activities and helping lead the club back into in-person activities are invited to the SBCC Board Meeting this November 15th at 7:00 pm. The link will be sent out before the meeting.

The December Banquet to be Virtual again

Due to our reluctance to put club members at risk, and because we have not found a new location for our banquet, the December banquet will be a virtual (Zoom) meeting again. I am therefore requesting slideshows and Getty Challenge photos again. Ideas for the Getty Challenge are posted on the club's Facebook page. Contact me at Sanderdl@att.net for information about submissions.

[The 14th Annual Scavenger Hunt has arrived!](#)

Find all the subjects and make a pleasing/creative picture of each. The winner receives recognition in the SBCC Newsletter and a small brass plate to adhere to a *South Bay Camera Club* wooden trophy. Rules and instructions are on the club website at [SBCC home page](#) and last year's submittals can be seen in the "Resources" / "Links of Interest" page.
