SERVING THE SOUTH BAY SINCE 1944

[SBCC Virtual Meetings to Continue through January](#)

The Torrance Airport opened the room for group meetings in July, with added requirements for liability waivers for every attendee. The county of Los Angeles requires masks for all indoor meetings. With our club size we would not be able to socially distance in the meeting room. Omicron variant Covid infections are surging. So, the SBCC board has voted to continue meeting over Zoom through the month of January. The January meetings will be virtual over Zoom. The status will be reviewed by the board every month until we are convinced that we can safely meet in person. The invitation to the Zoom Banquet is at the bottom of the newsletter.

[Thanks for the Donations](#)

The SBCC Board would like to thank the following members who donated in 2021:

Jerry Fleury, Mike Calabrese, Besim Bilman, Dick Merrick, Margaret Pinto, Gary Stuart, Harry Korn, Bob Schlatter, Livia Trauber, Allen Muro, Eduardo Kneler, Michele Uruburu, Besim Bilman, Beverly Gates, Donna Shumaker, Larry Heyert, Stephen Snider, Christy Reilly, Ann Somebody(?) and Emily Riddell.

May your camera give you two extra stops of vibration reduction.

A Note regarding our Critiques

Until we can meet safely again, all reviews will be digital. However, the club is set up for both digital and print reviews (Awards and website). So we will alternate between digital and print reviews (even if there is no print). On months that normally have a print review, submit your digital file in the normal way for a print review. The digital file will be critiqued.

Print Critique Monday Jan 10th

Monday's critique will be performed by Mark Comon from Paul's Photography and the Creative Photo Academy. Mark is well known to the members of the SBCC, having performed several critiques and presentations to the club before. Please get your photos submitted early for Mark's evaluation and suggestions.

Come and hear Randy Harwood on Monday Jan 24th

As he says on his website "Randy Harwood has been traveling and photographing the world's wild places, animals, birds and marine life for over thirty-five years. He tries to find ways to use these images to give people a better awareness of the beauty and value of the natural world. Hopefully some of these photographs may inspire you to seek out wild places and appreciate the amazing lives that inhabit them." See his photos at <http://www.rkh-photography.com/>

Please Establish Your Member Gallery on the website

The member gallery is a collection of photos submitted by our members for viewing by members and visitors to our website. Your submittals to the digital and print reviews will automatically be added to your gallery every month, once you have established your gallery.

To establish your gallery:

Go to "Upload Photos / Upload to Member Gallery"

Upload 1 photo to the gallery

The website will then add every new photo that you submit for critique to your member gallery. It will also add photos that have been submitted in the last few years.

How to use the SBCC Website

Mike Calabrese made a presentation on how to use the SBCC Website for rating photos, finding what the club is doing, and joining the club. It can be seen at <https://youtu.be/DHxpZHKgRpU>. Or go to the website under "Resources", then "Links of Interest."

Interested SBCC Members invited to the Board Meeting

The SBCC members who are interested in getting a closer participation in club activities and helping lead the club back into in-person activities are invited to the next SBCC Board Meeting January 17th at 7:00 pm. The link will be sent out before the meeting.
